## About Us

At Selkirk Maintenance (SM), we believe that reliable home and property maintenance should be easy, accessible, and stress-free. Serving the Nelson and Castlegar communities, we specialize in providing top-quality plumbing, electrical, and painting services for residential, commercial, and rental properties.

What makes us different? We operate as a gig/marketplace platform, connecting skilled freelancers and independent contractors with customers who need immediate, high-quality maintenance solutions—even beyond regular working hours, including weekends and holidays.

## Why Choose Us?

### Easy Online Booking!

Book a service in just a few clicks through our user-friendly website or mobile app.

- Selkirk Maintenance on the App Store & Google Play

### Trusted & Verified Professionals

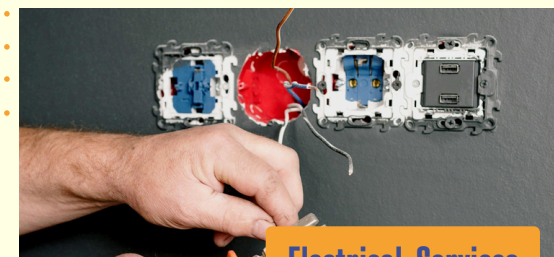

Every contractor on our platform is carefully vetted to ensure top-quality service and reliability. No matter the day or time, our team is ready to tackle your maintenance needs—even on weekends and holidays.

## Our Services

### Plumbing Services

From leak detection to pipe repairs and emergency assistance, our expert plumbers ensure your water systems run smoothly.

### Electrical Services

Whether you need wiring fixes, lighting installation, or a full safety inspection, our licensed electricians keep your home powered safely.

### Painting Services

Transform your space with professional interior and exterior painting, including expert color consultation and surface preparation.
